## Vinyl Range 18-44

## Handles 45-47

Turnberry Ultra Matt Cashmere

The Glacier range includes High Gloss Acrylic and PVC which are laminated to create the perfect gloss or super matt finish. Components are then edged using the latest laser and PUR technology.

Ideally suited for the sleek modern kitchen, bedroom or bathroom, this range has the flexibility to contrast finishes and textures, with made to measure sizes available.

High Gloss Colours

|                                                                                     |                                                                                     |                                                                                     |                                                                                     |
